## **ABOUT THE SPACE**

The office building is located at the heart of the prestigious "Golden Triangle "central business district, this centre provides quick access to all four prime areas of the city and is within minutes of all major office buildings, banks, five-star hotels and restaurants. In an emerging market, this Centre delivers a professional, secure environment. Standing gracefully with two magnificent towers, proudly distinguishes itself as a signature building in the heart of Jakarta with its unique, characteristic glass dome and beautiful garden. While its exterior view entices, its interior embraces you with a warm welcome upon your first steps into this luxurious iconic building. Take all of this and combine it with our client oriented service, our philosophy of exceeding expectations, flexible leases and affordable prices your business is well positioned to succeed.
