#### ABOUT THE SPACE

The mix-used workspace features serviced offices, breakout spaces, co-working and meeting rooms. Clients will benefit from working in quiet, secure, fully-furnished offices but with the option to network and collaborate in the shared spaces of the centre. The office space is close to many amenities and a wide selection of restaurant and retail outlets. Its centrally located on the bustling Jalan Sultan Ismail road at the intersection of Jalan Raja Chulan and Jalan Sultan Ismail and also next to the Raja Chulan Monorail station. On-site parking is also available.
