ABOUT THE SPACE

Professionals looking for a fully furnished office suite for 8 in a prime location in Jakarta will find this space too hard to resist. Located right in the center of the city, this space will provide you with a prestigious business address. The modern and efficient office comes with receptionist support in its elegant waiting area, mail handling services, broadband Internet access with LAN connection and basic office cleaning services. You can maximize your most productive hours as the space grants you secure office access 24/7. Air conditioning is available during regular working hours and rent includes electricity, use of building utilities and access to a well-stocked pantry to keep you refreshed. For an additional fee, you can have your documents printed and photocopied. Please contact FlySpaces to book this space!
